ABOUT US

Infinisolve LLC is a self-certified Small Disadvantaged Business (SAM.gov) providing full-spectrum digital marketing consulting and technical IT solutions. Formed in 2021 and headquartered in San Antonio, TX, we combine 20+ years of principal enterprise IT experience with cutting-edge digital marketing expertise. After a strategic dormant period, the entity was reactivated in 2026 to consolidate our founder's Fortune 500 technology leadership (Citigroup, Lehman Brothers, UPS, AT&T) and healthcare IT management experience into a single authoritative Federal-ready vehicle.
